Open the Door to Workplace Success with the

DC Public Schools CEO PROGRAM

Students with disabilities have a broad range of interests, talents, and goals — often all they lack are opportunities.

The DC Public Schools **Competitive Employment Opportunities (CEO)** Program provides these students the real-world experience they need to realize their dreams.

PAIRING

We pair our interns with mentors in their career fields of interest.

LEARNING

Through career-focused projects and summer internships, our interns learn the job skills they need to be ready for work.

EARNING

Throughout the program, our interns earn a training wage.

HOW YOU CAN GET INVOLVED
