INTERNSHIPS**

Professional Development

From January to June, CEO students participate in professional developments focused on career readiness.

Mentorship

Twice a month, mentors from various career fields meet with their CEO student to help create a Career Focused Project

Internship

Students complete an 80-hour internship at their mentor's company over the summer. Students are paid through CEO.

Become a CEO Mentor!

Share your professional passions and inspire DC youth to work toward their professional goals.

Competitive Employment
Opportunities (CEO) Mentor
Application: 2023-2024
